

## **ROSRC Members & Families:**

As many of you know, our club lost a very dear member recently. Larry Hogan passed away August 19<sup>th</sup>. Larry and his wife, Becky, have been very active members of the ROSRC family for many many years. Their three daughters Elizabeth, Kathleen, and Mary Ellen grew up as members, and the Hogan's have cherished making memories poolside with their grandchildren.

Larry forged many life-long friendships playing on countless tennis teams over the years. As a gesture to cherish the memory of Larry and convey our love and support to the Hogan family, the tennis community is spear-heading an initiative to renovate the main tennis pavilion and surrounding area adjacent to the first court. Some of the planned enhancements are:

- Pressure washing/staining of wood structure
- Decorative wood work and lighting
- Rotten/worn board replacement
- New food-serving island/table
- New ceiling fans
- Roll-down vinyl side curtains
- Landscaping spruce up
- Electrical outlet repair/relocation

Although the board sanctions and approves of this initiative, costs will be funded by private donations. The level of enhancements and renovation that can be accomplished will be determined by the amount of money raised for the project as well as donations of supplies and man hours. If you would like to contribute to this great cause, there are multiple ways to donate:

1. **Mailed bank check:**
